(LOCAL)

TEACHER-STUDENT RATION

The District shall employ the following limits on class size:

KINDERGARTEN – GRADE 3

1. The District shall not enroll more than 18 students per grade level.

GRADE 4 – GRADE 8

1. The District shall not enroll more than 18 students per grade level

EXCEPTIONS TO CLASS SIZE LIMITS

The Superintendent will make exceptions to class size limits based on the following:

1. A student moves into the school district after the grade level has reached its size limit.
2. A student who does not meet the requirements for promotion and is retained in the same grade level.

The Superintendent may make exceptions to class size limits based on the following:

1. A student whose parent/guardian is an employee of the District and who requests a transfer to the District after the grade level has reached its size limits.
2. A student who has siblings who attend the District.
3. A student who applies for transfer before August 1 for the following school year.
